

UNIVERSITY COLLEGE OF ENGINEERING (A)

OSMANIA UNIVERSITY HYDERABAD-TS

Department of Mathematics

Organizes

Five - Day Online International FDP

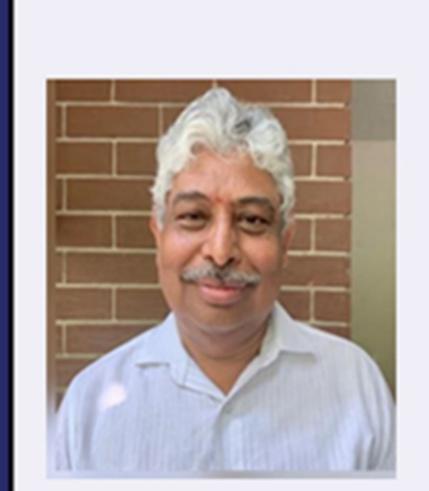

OM

"Role of Applied Sciences in Industry and Engineering"
(IFDPRASIE - 2020)

In association with APTSMS

Everyday @ 10 AM - 11:30AM (IST) Invited Speakers 2nd August to 6th August 2020

COLLEGE OF ENGINEERING

Date: 2nd August,2020

Dr.D.Sri Nagesh,
Chief Scientist,
Head Seismology Observatory,
National Geophysical Research Institute
Uppal road, Hyderabad-500007.

Topic
Earthquake Hazard Studies
for
Risk Assessment of Bridges.

Date: 5th August,2020

Date: 5th August, 2020 Time: 12:00 PM

Jerry L. Bona,
Professor,
Department of Mathematics,
Statistics, and Computer Science,
University of Illinois at Chicago,
Chicago, USA.

Prof. B.V.Rathish Kumar,

Department of Mathematics

Professor.

IIT Kanpur.

Topic: Mathematics and the Ocean.

Date: 3rd August,2020

Date: 4th August, 2020

Prof. Tanka Nath Dhamala,
Professor and Head,
Central University of Mathematics,
Tribhuvan University,
Kathmandu, Nepal.

Dr.Urmila Pyakure
Topic: - Network Optimization Techniques for Efficient Emergency Planning.

Dr.Md. Kamrujjaman,
Associate Professor,
Department of Mathematics,
University of Dhaka,
Dhaka, Bangladesh.

Mathematical Modelling in Epidemiology and its Applications.

Date: 6th August,2020

Dr.Devendra Kumar,
Lecturer,
Information Technology Department,
Mathematics Section,
Shinas College of Technology,
Sultanate of Oman.

Topic:
Industrial and Biological
Applications
of
Fluid Mechanics.

Glimpses of Mathematics

at the frontiers of

Science and Technology
