Sub: List of Recognised Swayam NPTEL courses for JULY- DECEMBER 2021 semester – Reg.

It is hereby informed to all the students that the list of courses recognised by respective Department Chairman Board of Studies (Autonomous) from the courses offered by SWAYAM-NPTEL for the July – December 2021 semester is herewith enclosed and uploaded in the college website i.e. www.uceou.edu. The students who are pursuing full time internship, have to register the subjects in NPTEL website <https://nptel.ac.in/index.html> from the recognised course list **with prior permission from their respective Head of the Department**. Credit transfer will be allowed only to those students who having taken prior permission from their respective HoD's, pursuing their full-time internship in recognised companies and the subject/subjects they intend to register should not be studied by them in their previous semesters. The permission letter from HoD's should be enclosed while submitting the letter for credit transfer to the Director of Examination cell, UCE,OU forwarded by their respective HoD's after passing the subject in NPTEL. Students are also advised to select a subject equivalent to their graduating degree i.e., UG/PG and they have to register for various courses under University College of Engineering, Osmania University Local chapter for getting official recognition of the certificates. Also, it may be noted that there is no makeup or supplementary examination for Swayam NPTEL courses. All the Heads of the departments are requested to inform students to visit the college website for knowing the recognised course list and they may also display the recognised course list in their respective departments. The last date for registration for various NPTEL courses is for 4 weeks (Set 1), 8 weeks (Set 1) & 12 weeks course is **02-08-2021** and for 4 weeks (Set 2) & 8 weeks (Set 2) courses is **23-08-2021**. Students are informed that the information provided here is only tentative and are advised to visit Swayam NPTEL website for exact information for various details like last date of registration, number of credits etc.
