NO MASK - NO ENTRY

How can I prevent COVID - 19 ?

Stay at least one metre away from people, and even further when indoors

Wear a face mask when others are around

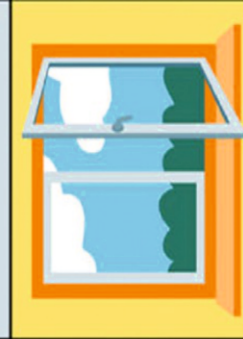

Avoid places that are crowded, confined or involve close contact with others, especially indoors

Wash your hands regularly or use an alcohol-based hand sanitizer

Get a COVID-19 vaccine when you're offered it.

Keep rooms well ventilated when you're inside with other people

Cough or sneeze into a tissue or your elbow. Throw the tissue away and wash your hands after.

Stay at home and call your health worker if you're unwell.
